THE WORD OF GOD

There are two primary Greek words that describe Scripture which are translated “word” in the New Testament. The first, ***logos***, refers principally to **the total inspired Word of God and to Jesus, who is the living Word.** *Logos* is found in John 1:1; Luke 8:11; Philippians 2:16; Hebrews 4:12; and other verses.

THE WORD OF GOD

The second Greek word translated “word” is ***rhema***, which refers to the spoken word. *Rhema* literally means an *utterance* (individually, collectively or specifically). Examples are found in Luke 1:38; 3:2; 5:5; and Acts 11:16.
